

Application for Biology Undergraduate Research
Introduction to Honors Program

Z #: _____

Last name: _____ First name: _____ MI: _____

Home address: _____ Country: _____

City: _____ State: _____ Zip code (Int'l postal code): _____

email address: _____

Phone: _____

Term in which you seek admission (check one): [] Spring [] Summer Year: _____

Indicate two anticipated areas of interest (these choices are not binding):

- [] Animal behavior [] Physiology
[] Biotechnology [] Conservation biology
[] Botany [] Microbiology and molecular
[] Ecology [] Tropical ecology of marine systems
[] Zoology [] Tropical ecology of terrestrial systems
[] Neuroscience [] Genetics
[] Environmental

If you have specific skills applicable to biological research (e.g., laboratory experience, photomicrography, video recording, scuba diving, boat handling, museum techniques, use of computer packages, statistics, and field techniques), please indicate them below:

Four horizontal lines for writing skills.

What is your professional goal after completing college?

Two horizontal lines for writing professional goal.

Deadlines and Requirements for Completed Applications

DEADLINE: October 31st. Students will receive an e-mail by the end of Fall semester stating whether they have been accepted into the Introduction to Honors Biology Program.

Reminder:

Send all application materials to:
Florida Atlantic University
Department of Biological Sciences
ATTN: Dr. Evelyn Frazier/ Dr. John Nambu
Building 1, Room 136
777 Glades Road
Boca Raton, FL 33431

Checklist of required documentation that must be turned in by the DEADLINE:

- _____ Resume
- _____ Statement of Purpose
- _____ Unofficial Transcript
- _____ Completed Application Form
- _____ Letter of Recommendation from faculty or graduate student is preferred. Letter should address your academic potential and interest in research.

I certify that the information given in this application is complete and accurate.
Should any of the information I have given change prior to my entry to the Biological Sciences Program, I will immediately notify the Biological Sciences Department.

Signature _____ Date _____

BURHP CHECKLIST

In order to apply for the Biological Sciences Undergraduate Introduction to Honors Program you must meet the following requirements:

1. Minimum GPA 3.0
2. Core Course Requirement
 1. Biodiversity + Lab
 2. Biological Principles + Lab
 3. General Chem + Lab (I & II)
3. Be aware that some laboratories may require other courses before joining a lab.

Please sign and return with completed application
