

Biology Appointment Application

New: **Renewal:** **Z# (if you have one):**

Last Name: **First Name:**

Mailing Address: **E-Mail:**

Website:

Institution:

Title: **Department:**

General Area of Research:

If you are not a current FAU faculty member, are you connected to a joint program with FAU?

Max Planck (IMPRS/IBNS):

Scripps:

Faculty members that wish to participate in Biology Department programs including serving as a co-PI on research grants, supervising advanced research/thesis/dissertation credits for graduate students, and serving on graduate student committees may do so by applying for affiliate status.

*Note: Non-FAU faculty who wish to participate in Biology Department programs **must** obtain affiliate faculty status **in addition to** the other requested status types listed below. All appointments are valid for a **maximum** of 5 years and the appointment letter will specify the start and end dates.

I am requesting the following status (check ALL that apply):

Affiliate Faculty status with the Department of Biological Sciences. ****For non-FAU faculty and FAU faculty not employed by the College of Science.**

Graduate Faculty status to be eligible to serve on graduate student committees and/or teach graduate courses([check your status here](#)).

I am requesting to serve on graduate student committees in the following (check ALL that apply):

IB-Core (IBIO)

M.S. Biology

IB-Neuroscience (IBNS)

P.S.M. Business Biotechnology

IB-Environmental Science (IBES)

M.S. Marine Science & Oceanography

IB-Biomedical Science (IBBS)

IB-Marine Science & Oceanography (IBMO)

Additional Required Documentation:

- Curriculum Vitae
- Letter of intent ([see samples](#))
- Letter of Nomination from a faculty member of the Department of Biological Sciences
- Official Transcript (required for faculty who will be listed as instructor of record for a course)

*Note: Ranks associated with affiliate and graduate faculty status are dependent upon faculty members' current rank within their institution as outlined in the [Graduate College](#) and [CESCOS](#) policies on affiliates and graduate faculty.

Biology Appointment Renewal – Supplemental Form

Please answer the following questions about your **most recent appointment** to assist the appropriate Biology Program Committee in their vote on your renewal application. ***Note: This form is to be submitted for renewal appointments only!**
